Dear Sir/Madam

CAPTAINS' CHARITY DAY

Thank you so very much for supporting our Charity Day at Chester Golf Club on Saturday 30th July 2016.

The day was most enjoyable and thanks to the generosity of businesses like yourselves and our members we managed to raise £4,450 on the day in aid of the charity "SPACE". This takes our total raised to date to approximately £10,000 and we know that the charity will be delighted and extremely grateful for such a generous donation.

Thanking you once again for your invaluable support.

Yours faithfully
